

STAFFORD GARMENT INDUSTRIES

COMPANY PROFILE

MODERN ATHLEISURE & APPAREL SOLUTIONS

Introduction

Sri Lanka is the connoisseur of the Textile and Apparel industry. Globally renowned and a trusted supplier of readymade garments, the textile and apparel industry, holds a significant place in the Sri Lankan economy. Sri Lanka has always promised and delivered the best and is known for its unique prints, creativity, and innovation.

SGI Apparel is a subsidiary company of the Stafford Group of Companies; SGI Apparel was established in the year 2007, invested and built to support the production of our own brands, from design to delivery. We steadily expanded our service to other Global Brands abiding by the social standard requirements of the individual buyer.

CLIENT PORTFOLIO

At SGI Apparel, we are immensely passionate about sports and pride ourselves on providing the best services and controlling our country's one well-renowned brand. Reborn, a proud supplier to the Sri Lankan Rugby Team, we hope to continue serving them with various brands and stand among the local brands of Sri Lanka.

SGI Apparels is fully committed to our local communities. Their well-being is our priority, and we leave no opportunity or community unattended, taking the utmost support to serving various communities and local schools as we expand and grow.
